MOTION FOR ENLARGEMENT OF TIME

Plaintiff requests the court for an enlargement of time to file a brief in opposition to defendants' motion for summary judgment for the following reasons:

1. Plaintiff is and has been in the hole and does not have access to his legal property which contains exhibits necessary to file with his brief. The exhibits are documents which corroborate that he was not given a prescriptive program was denial parole for filing legal actions and grievances, retaliation transferred, et cetera.

2. Plaintiff is in the hole and does not have access to any legal research material necessary to draft a proper brief concerning a civil action. The accompanying this motion is a copy of the policy listing which legal reference materials plaintiff has access to verifying plaintiff's lack of adequate access to legal reference materials.

3. Plaintiff has a serious medical condition, hepatitis C, which is, and has been causing him to have, severe abdominal pains, migraines, mental confusion, nausea, vomiting, severe chronic fat muscle pain, joint pain, weakness and liver damage. Pursuant DOC policy plaintiff is not permitted to receive any treatment whatsoever but must be permitted to die. Plaintiff's condition and has been, severely hampering anything that plaintiff attempts including this action.

4. The prison officials have confiscated plaintiff's legal material copies from his mail and allege that they were contraband. Plaintiff must seek to get them back as they are necessary to draft his brief.

Wherefore, the court should grant an enlargement of time.

Respectfully submitted
